

Terrace At Woodland "Newsletter" January 2012

Looking Back At December...

December brought the residents here at The Terrace at Woodland a variety of activities. We put up our tree & decked the halls! Many residents enjoyed baking holiday cookies. We had a variety of entertainers who shared their talents with us such as...Vince, Ron Miner & Brian Nelson. Residents also enjoyed the Christmas Caroling groups & concerts that came to sing for us. We would like to send a "Thank You" out to each & everyone of them.

The New Year

Let's all hear it for the new year where we can all stand up and cheer. The new year brings resolutions that they try to adhere to, because this is the right thing to do! May the new year bring everyone peace, joy, and happiness, too, plus good health the whole year ahead, and after we watch the ball come down at Times Square in New York, we can all go to bed. The new year is filled with everything that is good which is the way a new year should. So end this poem about the new year, except to say, let's all hand onto those who are dear & near.
